I loved Rons writing in the Dunamis Covenant, and Cadogans Gamble is even better. - Jack Goodwind The Luminari Cluster Commonwealth hasnt seen war in over a century. Without warning, a powerful race of aliens demand the Commonwealth find one of their missing scientists or face war. Vanguard Tobias, the leader of the Commonwealth, gives the task to a bounty hunter named Chase Cadogan. Chase has to push aside thoughts of his once promising military career and pull the crew of the Longshot together for the mission. Now, with the clock ticking, Chase must find the missing alien while evading a criminal with a personal vendetta, a secret agent with unknown loyalties, and a self-serving Captain with a hidden agenda. Will Chase complete his mission in time for the Commonwealth to avoid war?
