

The Elect: Malevolent, a Dystopian Novel

Set in a futuristic Detroit, this novel is the perfect read for fans of dystopian series such as the Hunger Games, Divergent, and Maze Runner. Written by USA Today Bestselling Author Tamryn Ward, Malevolent is the story of a dark dystopian world and one determined girl's story of courage, self-sacrifice, and love. For twenty girls and boys, the Elect is the chance of a lifetime--the opportunity to not only escape a life of backbreaking work, pain, and hunger but to save their families from that life too. But for Eva Pearson, being selected as a member of the Elect means sacrifice. It means pain. It means danger. And possibly death.

He joked, Jeez, havent any of [Trumps] followers ever read a dystopian novel? Dont they get what theyre signing up for? On Election Day This book resembles the Divergent series. From the characters to the plot it was just too similar for me to enjoy. Some parts were not well planned out. An Amazon Top 100 Bestseller in Fiction/Dystopian and Teen Science Fiction/Dystopian!
