

ARISEN, Omnibus Two

With nearly a quarter of a million copies sold, the ARISEN series is said by readers to be: Wall to wall adrenaline - edge of your seat unputdownable until the very last page...staggeringly good - the most consistently excellent franchise in zombie literature...the best post-apocalyptic military fiction there is...one badass unstoppable bullet train ride...edge of the seat, nail biting, page turning mayhem...had me holding my breath more times than I could count...THE BOSS of the zombie apocalypse genre...The pace and action are breathtaking...the most amazing and intense battle scenes youve ever experienced...rolls along like an out of control freight train...left me shaking at the last page...insane propulsive storytelling...They grab you on the first page and kick your ass through the entire series...ARISEN, Omnibus Two -1,297 pages of madness, mayhem, and heart-stopping heroism, including:BOOK FOUR - MAXIMUM VIOLENCEOne Troop Royal Marine Commandos fights a 360-degree battle for survival, while racing to rescue survivors from a relentless siege - all before Hellfire missile strikes and carpet bombing kill anyone left alive... The crew of the Kennedy risks a catastrophic reactor meltdown to get out of the path of a ten-mile-wide tide of the dead... Master Gunnery Sergeant Fick and his spec-ops Marines battle to take and hold an airfield on a remote island - but learn that it is a place with a terrible history and dangerous secrets... On Lake Michigan, Alpha team races toward extraction - but first must fight their most harrowing battle yet, this time against the living, who are both more treacherous and a hell of a lot better armed than the dead...BOOK FIVE - EXODUSThe worlds last floating nuclear supercarrier looks into the face of oblivion as her beleaguered crew face the largest herd of dead ever recorded - and soon her five-acre flight deck is the scene of a

furious and desperate set-piece battle... Surrounded, cut off, and left for dead, Wesley's band of sailors and survivors race ahead of the swarm, as air strikes and shore bombardment threaten to vaporize them all... The operators of Alpha team and MARSOC fly into two converging storms of unspeakable violence, and must parachute in and reinforce the Alamo - the hopeless and doomed defense of the carrier. A thousand things must go right for them to have a prayer of survival. But it's the job of the operators to succeed even when a million things go wrong...BOOK SIX - THE HORIZONMission complete, Alpha team enjoys their first chance to breathe and tend to their humanity - but the darkness leaves them alone with their demons... The JFK steams for Africa, despite rumors of lone Zulus still wandering below decks - but one Zulu can kill you just as dead as ten million... Amarie and the Tunnelers are resettled in a chillingly post-Apocalyptic London, where mini-outbreaks are hushed up as history's largest fixed fortification goes up in preparation for humanity's last stand... Lieutenant Jameson and his battered Royal Marines launch by air to retrieve a rare biomedical device buried at the center of a city of millions (all dead) - but when the walls come down and the horde descends, Jameson may be the last man standing...Ride the human spirit to its utmost limit in the most explosive and thrilling military ZA series on Earth.ARISENHope Never Dies.
