

Blue Plague: War (Blue Plague Book 6)

On one side: the ravenous hordes of the Infected - insanely fast blue zombies who can think, heal and even reproduce. On the other: the vicious, hyper-violent remnants of the U.S. Government, obsessed with the destruction of the real America. Only Bruce and his brave clan of battle-hardened warriors stand to fight for the future in a high-tech military thriller that will thrill and inspire.
