

Orchid Growers Manual

This grand old manual contains descriptions and numerous illustrations of what was considered at the time, the best species and varieties of orchid plants in cultivation. The book was originally published at the Victoria and Paradise Nurseries in London. Each orchid entry not only contains a description of the orchid but also information on when the orchid flowers and of its culture. The Original publishing date was 1894. This current reprint was published in 1973 and contains 797 pages.
