

## Extensis Vitae

Michael Reznik is a soldier who wakes up in a mysterious underground bunker, with a technologically advanced body he doesn't recognize. The people around him have cast aside fighting and warfare. They haven't needed them--until now. Reznik is charged with tracking down a band of ruthless killers and finding a kidnapped doctor. He finds himself honor-bound to do what is right for the people who brought him back from the dead. A peaceful people are depending on him to do what is right. Can he live up to their expectations, even when he finds out that his new body has an expiration date? Extensis Vitae is a gritty, post-apocalyptic science fiction adventure.
