

Newhope The Muhuba War (The Ankh Trilogy Book 3)

Ten years has elapsed since Jonathon McKinnah achieved his lifetime dream of traveling to Earth. Unfortunately the mother world was in the grips of the Industrial Council who controlled the production and distribution of all products, food and energy on the planet. To counter the power of Earth, Jonathon sets out to create a Constitutional Confederation of Planets consisting of Earths former colony worlds. An uneasy peace exists between Earth and the Confederation until an alien hive society threatens to destroy them all. All all out war pits men against men and mankind against the aliens. Witnessing the conflict are the Ankh, a mysterious colony of ancient aliens. Will they interfere or let the conflict play out? Read the exciting conclusion to the adventures of Marcia and Jonathon McKinnah and their faithful mandroid, Talo.
