

## The White Mists of Power

An innocent excited boy, a prince and heir, takes his first journey to the city. The streets teem with merchants in velvet robes, magicians, half-mad preachers, with life and color, poverty and noise. He doesn't want to miss any of it. But this is the last journey in his life as a prince. Soon he will be abandoned and declared dead. Soon he will be utterly alone, faced only with survival and what will become the driving force of his life: the quest to recover his stolen inheritance, his usurped throne. His home.
