

## The PMS Murder (A Jaine Austen Mystery series Book 5)

Im crazy about Laura Levines mystery series. Her books are so outrageously funny. --Joanne Fluke

On the frontlines of the battle of the bulge, otherwise known as trying on bathing suits in the communal dressing room at Loehmanns, freelance writer Jaine Austen makes a new friend--a wannabe actress named Pam--and gets a new job: sprucing up Pams bare-bones resume. Their feeling of connection is mutual, so Pam invites Jaine to join The PMS Cluba womens support group that meets once a week over guacamole and margaritas. But joining the club proves to be more a curse than a blessing for Jaine. Though she is warned that Rochelle, the hostess, makes a guacamole to die for, Jaine never takes the warning literally. Until another PMS member, Marybeth, drops dead over a mouthful of the green stuff. Now instead of dishing dirt with The PMS Club, Jaine has to dig up the dirt on the surviving members. . . Jaine can really dish it out. --The New York Times Book Review
