

Lightspeed Magazine, March 2013

Lightspeed is an online science fiction and fantasy magazine. In its pages, you will find science fiction: from near-future, sociological soft SF, to far-future, star-spanning hard SF--and fantasy: from epic fantasy, sword-and-sorcery, and contemporary urban tales, to magical realism, science-fantasy, and folktales. In this month's issue, we have original science fiction by Jake Kerr (Biographical Fragments of the Life of Julian Prince) and Rich Larson (Let's Take This Viral), along with SF reprints by Holly Phillips (Three Days of Rain) and Angelica Gorodischer (The Sense of the Circle). Plus, we have original fantasy by Sarena Ulibarri (The Bolt Tightener) and Lisa Tuttle (The Dream Detective), and fantasy reprints by Felicity Savage (Ash Minette) and Karen Joy Fowler (Lily Red). For our ebook readers, our ebook-exclusive novella is Things Undone by John Barnes, and of course we have our usual assortment of author and artist spotlights, along with feature interviews with acclaimed authors Philip Pullman and Angelica Gorodischer.

Special Issue) Lightspeed, June 2016 (Issue 73, People of Colo(u)r Destroy Science Fiction! Special Issue) March 2018 (Issue 94).
