

MoonRise (MoonFall) (Volume 4)

Noah Brennan has encountered death more times than he cares to remember. Since returning to society, he's been imprisoned, beaten, and endured adversities that would have broken a lesser man. But every pain he has suffered has led him to his true purpose: finding a better world. Now, to find salvation, Noah must make one last journey. A journey where bonds are tested, friends are lost, and old enemies stand in the way. The only question left for Noah to answer: can he do what it takes to save humanity, even if it means losing everything?
