

Dreams of Eli

Southern soldier Eli West wakes in a cave and discovers he is held captive by a soldier of the Union. Shot, drugged, and tortured, he descends into the darkness and the beauty of his unconscious, uncovering a time when he was still in love, a time before war, a time before everything fell away.

The characters of this book are the kind who display such honesty and courage, that they become unforgettable. This is the kind of book that should be on schools reading lists to show students what living in the south was really like at one dark time in our history. For those few that tend to read the ending of a book first, just dont do it. The ending is surprising as well as a beautiful way to end such a great story. Raymond H. Mullen (VINE VOICE)

Van Heerling is a complex writer, he employs the rarely used device of an untrustworthy narrator, which I first encountered, many years ago, in reading Mark Twains Huckleberry Finn. ...but the ending will make readers rethink everything that occurred before in this elegantly conceived novel. ...as an author, I sit in total awe. Great, great ending. Thank you for the journey... John C. Williams JW

Legendary sports writer Ring Lardner once said, Writing is easy. You just sit down at the typewriter and open up a vein. This book must have been extremely easy to write for the author. In fact, he probably tapped more than his share of vital arteries in the writing of it. ...because it reads as true as a leg-splating ball, hot as a cauterizing iron, and as cold

as dreams that have turned to ashes. Roger Kenyon

The last book that affected me as emotionally was *The Time Travelers Wife*. I found it touching, but in an honest and fresh way without dipping into the maudlin. dstephenphd

...its right up there along with *The Red Cotton Fields*. Her Nibs

An Indie that should be with the A-listers and heavy rollers Its taken me a few days to try and come up with a review for this book because all I could keep thinking was, WOW. RaeAnne Hadley

Certainly a memorable book and one I will recommend to my book club. D L Tags: Pensive, Historical Fiction, Historical Romance, 1800s, Jackson, Mississippi, Slaves, Indians, Country, California, Love, Consumption, White Death, Love Story, Doctor.
