

## Nemesis: Book Three

The world changed, and it started in Grayson, Georgia. Falling from the sky, a creature arrived more powerful than anything imagined on Earth. Now, she's ready to bring the rest of her kind. The government's first defense failed to stop the alien. Turning to one of the smartest men to ever live, they ask Kenneth Marks to save the world. Except as Marks assesses the situation, he understands he can gain more by helping the alien, humanity be damned. Bryan, Michael, and Julie remain caught in the midst of this war, unable to escape and unable to stop it. More time has nearly arrived and Earth will never be the same...
