

## A Girl and Her Greens: Hearty Meals from the Garden

From the chef, restaurant owner, and author of the critically lauded *A Girl and Her Pig* comes a beautiful, full-color cookbook that offers tantalizing seasonal recipes for a wide variety of vegetables, from summer standbys such as zucchini to earthy novelties like sunchokes. *A Girl and Her Greens* reflects the lighter side of the renowned chef whose name is nearly synonymous with nose-to-tail eating. In recipes such as Pot-Roasted Romanesco Broccoli, Onions with Sage Pesto, and Carrots with Spices, Yogurt, and Orange Blossom Water, April Bloomfield demonstrates the basic principle of her method: that unforgettable food comes out of simple, honest ingredients, an attention to detail, and a love for the sensual pleasures of cooking and eating. Written in her appealing, down-to-earth style, *A Girl and Her Greens* features beautiful color photography, lively illustrations, and insightful sidebars and tips on her techniques, as well as charming narratives that reveal her sources of inspiration.
