

## Finding ELE (The ELE Series) (Volume 2)

How far would Willow go to find the man she loves? It only took three short months for Project ELE to send sixteen year old Willow Mosbys life spinning out of control. Her family has been torn apart; she merely escaped capture by the Hastings men and now Alec, her first love, is missing along with her newfound friends. In order to find them, Willow is forced to leave the shelter, her only protection from ELES wrath. What she doesnt realize is that outside, the change has begun and the world will NEVER be the same again. The forces of good and evil collide and Willow has no choice but to choose a side. When her rare abilities become a liability an unlikely protector must step up to help her. For if her gifts were to fall into the wrong hands...NOBODY would be safe. With her protector by her side Willow races against time to find Alec and her friends. After new friendships are built and alliances are formed, Willow finds herself torn between the one she loves and the one who protects her.
