New York Times best-selling author Iyanla Vanzant recounts the last decade of her life and the spiritual lessons learned from the price of success during her meteoric rise as a TV celebrity on Oprah, the Iyanla TV show (produced by Barbara Walters), to the dissolution of her marriage and her daughters 15 months of illness and death on Christmas day. Like a phoenix rising from the ashes, Iyanla shares why everything we need to learn is reflected in our relationships and the strength and wisdom she has gained by supporting others in their journeys to make sense out of the puzzle pieces of their lives.
