

Retreat And Adapt

The next adventure in the best-selling series: A Galaxy Unknown Admiral Jenetta Carver, in Region One for just the second time since becoming Commander of the Second Fleet, receives a message that the scout-destroyer Yenisei, on routine patrol, is overdue. The ships last report ended with a statement that they were attempting to overtake several small ships spotted on their DeTect monitors. Weeks later, the Yenisei is found. Technological advances have made Space Command the most powerful military force in the known galaxy, but although sheathed with Dakinium and believed to be almost impervious to weapons fire, the Yeniseis hull is riddled with holes and the crew is dead. The ships computer log contains images of three attacking vessels with a configuration never before seen in GA space. It appears that a new enemy has emerged, one with weapons superior to anything Space Command has. Book 9 of the Best Selling series - A Galaxy Unknown Sci-Fi Space Opera - 111,500 Words - 384 Pages

Retreat And Adapt has 1259 ratings and 17 reviews. Nico said: So where do I start hmm, A Galaxy Unknown is one of my favorite series, not because of the Landscape architects stated several options, including fortify (keep water out), retreat (move to higher ground) or adapt (live with water).
