

Siren

Evan is entranced by the alluring song of the beautiful naked woman he saw in the surf one lonely night. But this is no mere seductress. She is a siren, one of the legendary sea creatures who prey on unsuspecting men. And she has claimed Evan as her next lover. Night after night, Evan walked along the desolate beach, grieving over the loss of his son, drowned in an accident more than a year before. Then one night he was drawn to the luminous sound of a beautiful, naked woman singing near the shore in the moonlight. He watched mesmerized as the mysterious woman disappeared into the sea. Driven by desire and temptation, Evan returned to the spot every night until he found her again. Now he has begun a bizarre, otherworldly affair. A deadly affair. For Evan will soon realize that his seductive lover is a being far more evil...and more terrifying...than he ever imagined. He will learn the danger of falling into the clutches of the... SIREN.

Siren (????, Sairen), known as Forbidden Siren in the PAL region, is a survival horror stealth game developed by SCE Japan Studio and Project Siren, and Watch all available Siren episodes now on Freeform. From Middle English, itself from Middle French sereine (itself from Late Latin sirena) and from Latin Siren, ultimately from Ancient Greek ?????? (Seir?n). The latest Tweets from Siren (@SirenTV).
