

The Other Woman's House (Lasting Damage) (A Zailer & Waterhouse Mystery)

The latest psychological thriller from the internationally bestselling author of *The Wrong Mother* and *The Cradle in the Grave*. It's past midnight, but Connie Bowskill can't sleep. To pass the time, she logs on to a real estate website in search of a particular house, one she is obsessed with for reasons she's too scared to even admit to herself. As she clicks through the virtual tour, she comes across a scene from a nightmare: a woman lying facedown on the living room floor in a pool of blood. But when she returns to show her husband, there is no body, no blood—just a perfectly ordinary room, with a perfectly clean beige carpet. The sixth book in Sophie Hannah's beloved Zailer and Waterhouse series, *The Other Woman's House* offers unforgettable suspense and a heart-stopping conclusion that Ruth Rendell and Tana French fans will love.
