

Defiance (a prequel novella to The Legacy Human) (Stories of Singularity Book 3)

A short story of a legacy human in an AI world. Most of humanity has ascended into hyper-intelligent human/machine hybrids, but legacy humans like Cyrus Kowalski are used to skirting the laws they've laid down after all, he knows the ascenders only pretend to care about the legacy pets they keep. But when a woman Cyrus loves like a mother is stricken by a disease the ascenders refuse to cure, he has to decide how far he can go without getting banished from the legacy city that's always been his home. Defiance is a prequel short story to The Legacy Human (Singularity #1). Defiance is the third of the Stories of Singularity (#1-4) also available as a box set. These short stories each provide a glimpse into a dark corner of the Singularity novels. Fans of the Singularity novel series will find their understanding of the Singularity world enhanced by the novellas, but they can also be enjoyed as standalone stories. **originally published in the Future Chronicles anthology - check it out for more great stories!**
