

Agents of Deceit (Undercover Series)

When bombs are at play, hearts shouldn't be...When word of a terrorist plot against DFW International Airport reaches the FBI, Special Agent Jackson Caldwell travels to Dallas to investigate. This is his chance to prove to his superiors that he's ready to be back in the field after being trapped behind a desk for far too long, but a beautiful woman with a secretive past and a bet with his partner threaten to get in the way. Jenna Monroe leads a mundane life while running from a past she'd sooner forget. She knows how every day will unfold until a man with dangerous good looks and deadly secrets rents the condo across the hall. As the two men in her life play out a lethal game of chess, is she really just a hapless pawn? Or is she the one controlling all the moves? Part 1 of the Undercover Series. Part 2, *The Shattered Alliance*, will be out May 2013. Please note: This book contains adult situations (that's code for sex), coarse language and some scenes of graphic violence.
