

Olive Anderson has conquered ACS and is close to conquering her world. All that stands in her way is a small but brave Alliance of former ACS students, 5th Columnists, and non-altered kids from Clarendon Ditch. Just as the Alliance needs to unite most, they find themselves fractured and weakened. Can Liam Clover recover from the brutal torture he endured while imprisoned by Olive as well as his own self-doubt to emerge as a hero, or will he succumb to his inner demons? Kerri Ross learns that she may not be as in control of herself as she thought. Will Kerri become the weapon that Olive uses to defeat the Alliance, or the hero that leads them to victory? Adam Darwin knows that he is becoming powerful enough to destroy Olive and ACS, but he fears that as he loses control of his abilities, he may become more terrible than the enemies he fights to defeat. Will Adam, Kerri, and Liam save their world, or become the cause of its ultimate demise? Thrilling and heartbreaking, *The Champion, Book 3* of the *Champion of Clarendon Ditch* series, concludes the series' examination of heroism, sacrifice, loneliness, leadership, and friendship with tremendous adventure and heart. As the heroes' challenges intensify, they learn that if they are to succeed, it will not be due to incredible superhuman powers, but rather because of extraordinary, but very human, character.
