

## The Custom of the Country (Bantam Classics)

First published in 1913, Edith Wharton's *The Custom of the Country* is a scathing novel of ambition featuring one of the most ruthless heroines in literature. Undine Spragg is as unscrupulous as she is magnetically beautiful. Her rise to the top of New York's high society from the nouveau riche provides a provocative commentary on the upwardly mobile and the aspirations that eventually cause their ruin. One of Wharton's most acclaimed works, *The Custom of the Country* is a stunning indictment of materialism and misplaced values that is as powerful today for its astute observations about greed and power as when it was written nearly a century ago.

*The Custom of the Country* (Bantam Classics) [Kindle edition] by Edith Wharton. Download it once and read it on your Kindle device, PC, phones or tablets. Few social climbers are as surreally despicable as Edith Wharton's Undine Spragg, who doesn't care what happens to anyone else as long as she can shop and - Buy *The Custom of the Country* (Bantam Classics) book online at best prices in India on Amazon.in.
