What is forgiveness? Are some acts unforgivable? Can forgiveness take the place of revenge? Powerful real-life stories from survivors and perpetrators of crime and violence reveal the true impact of forgiveness on ordinary people worldwide. Exploring forgiveness as an alternative to resentment or retaliation, the storytellers give an honest, moving account of their experiences and what part forgiveness has played in their lives. Despite extreme circumstances, their stories open the door to a society without revenge. All royalties from the sale of this book go to The Forgiveness Project charity.
