

# THE HELMSMAN: Directors Cut Edition

Military Science-Fiction novel chronicles the adventures of StarSailor and extraordinary Helmsman Wilf Brim during an epoch of discord and outright war among various star-nations within a galaxy that could be a far-future version of the one in which we live.

Originally published in 1983, when the novel sold thousands of copies in its first printing, The Helmsman is the starting point for Bill Baldwin's epic, eight-part series.
