

The Perceived Darkness

You won't be able to put down this romantic thriller. IPPY AWARD WINNER (Sweet Song, 2012) (for fans of Donna Tartt, Scott Turow, and Wally Lamb) BOOK DESCRIPTION: A bold and raw study of the human condition, readers will instantly see themselves and their friends and family in this bravely written novel. Because it explores love, hate, sex, and passion in a way that exposes the truth, this book is hard to put down once you've started reading. When Jack and Silvia introduce their workmates and their spouses and girlfriends at a party, they have no idea what problems will transpire. And when a mentally unstable man acts out his sexual fantasies for one woman while threatening the life of another, only one thing can happen.
