

## The Secret Keeper: A Novel

One mans search for the truth in war-torn Sierra Leone, where the rules of civilized society dont apply... Journalist Danny Kellerman receives an urgent letter from an ex-lover in Sierra Leone, where he once was a war correspondent. But its already too late; shes been murdered in a roadside robbery. Danny returns to Freetown, where his investigation uncovers secrets that shed a shocking light on the woman he though he knew-and reveals a hidden truth that could destroy those in power. Trapped in the heart of a dangerous nation where he can trust no one, Danny is soon forced to choose between his integrity and the devastating consequences of speaking the truth. Written with gritty and haunting realism and based on the authors first-hand experiences as a war correspondent in Africa, *The Secret Keeper* is a taut and powerful debut that readers wont want to miss.
