

Developing Person Through Childhood and Adolescence, The

Edition after edition, Kathleen Stassen Berger's *The Developing Person Through Childhood and Adolescence* re-emerges as the ideal textbook for the chronologically-organized development course--a perennial bestseller that always provides an authoritative portrait of the field, carefully crafted learning tools, and a narrative style and emphasis on cultural contexts that make the material relevant to its broad student audience. The new edition continues that tradition, incorporating the latest research, while providing deeper consideration of the impact of diversity on development, and a new generation of media tools.
