

The Valley: Monahan's Purpose

Monahan, once a leader of a renegade band, has turned his life around. He is now the head of a secret organization that saves citizens unjustly accused by an evil regime led by those who rule the city of Godstown. When a new group of people is captured, Monahan hears that a silver from the city of Largo north of the Valley is among them. He is determined to free her. Saving Lucy leads Monahan into the next phase of his life: working to bring down the notorious Sykes who is wanted for murder and other atrocities. Can Monahan, Lucy, and the other protectors of the Valley succeed in stopping Sykes and bringing him to justice?
