The Ventrue: Manipulators of mortals and leaders of the Kindred. Yet the Ventrues powerful facade hides a myriad of internal struggles, petty rivalries and epoch-spanning vendettas. From the domain of Prince Mithras to the reaches of India, the Ventrue power gambit plays out nightly. Created in the spirit of the Giovanni Chronicles series, The Ventrue Chronicle focuses on the trials and tribulations of a single clan. This book pits the player characters against elders, ancillae and even neonates in a century-spanning bid for power no less grand than one would expect of the Blue Bloods.
