

Loving a Thug 2

They say that if it slithers like a snake, then it'll bite you. Angie is enjoying making Queen and Majors life a living hell. She wants them to suffer for not allowing her to own the Black Rose Mafia symbol. Queen is back and she is trying to help Major figure out who killed his mother. Stepping up to the plate and becoming the woman that Esmeralda wanted her to be, she is trying to juggle between being a boss and a lady to her man. Treasure and Roscoe are working on them as a whole, but once Angie gets a whiff of them together all hell will break loose. Join the Black Rose Mafia as they deal with snakes and betrayal in this 2nd installment of Loving a Thug.
