

# The Lost World, Special Armchair Fiction Illustrated & Movie Memorabilia Edition (Lost World-Lost Race Classics) (Volume 3)

Armchair fiction presents extra-large paperback editions of the best in classic science fiction novels. Arthur Conan Doyle's *The Lost World* is the third installment of our Lost World-Lost Race Classics series. It's a special edition fully illustrated and complete with bonus galleries containing movie posters and alternate paperback covers. Four rugged explorers, beset by danger from all sides, ascended the unexplored head-waters of the mighty Amazon. Deep in the heart of the jungle they found a prehistoric inferno, a world where the laws of science and evolution had come to a grinding halt. It was *THE LOST WORLD*, and it was like no other place on Earth. Strange and frightening, it was a savage region ruled by prehistoric monsters of a bygone era. A place where no ordinary human could be expected to survive more than the briefest span of time...
