NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers Book 1 of 4 in the YA Dystopian APOCALYPSIS Series, suitable for older teens and adults. KAHAYATLE. My names Bryn Mathis. Im seventeen years old, and I live in a neighborhood outside of Orlando, Florida. I live alone because my dad died almost a year ago, along with all the other adults in the world. Im almost out of food and the gangs of kids that roam around my town are getting more vicious by the day. Its time for me to leave and find another place to live ... a place where I can find food and shelter ... a place where they wont be able to find me. Alone, it might have been possible, but now Ive got company. Im worried that I dont have what it takes to get from here to my final destination, and I have no idea what might be waiting for me when I get there. Content Warning: Mild violence and some foul language within. Meant for older Young Adult readers (age 15+). This book is in the DARK SCIENCE FICTION/HORROR/POST-APOCALYPTIC genres, featuring teen characters only.
