

## Science Fiction Trails 10: Where Science Fiction Meets the Wild West

Science Fiction Trails is the magazine where science fiction meets the Wild West. In our tenth issue we have stories ranging from a dog that takes on some angry Martians, a train robbery that isn't exactly what it seems, and an airship captain who's messing with the wrong town. There's also a micro universe tale about a very small western town and a man who wants a mechanical man for all the wrong reasons. Featuring stories from C. J. Killmer, Vivian Caethe, Dorothy Davies, J. A. Campbell, John Howard, Kit Volker, Henrik Ramsager, R.A. Conine and Raymond Broadbeard, with art by M. Wayne Miller and Laura Givens.
