

The Inevitability of Earth

When Michael was a kid, he saw his grandfather fly, unaided, over the family's vegetable garden. As a young man, he is obsessed with learning the old man's secret. But grandfathers nowhere to be found, and his grandmother has secrets of her own. From *Monstrous Affections*, this tale is part of Stoker Award-winner David Nickle's collection of short fiction about love in all its horrific proportions. ChiZine Publications (CZP) curates the best of the bizarre, bringing you the most excitingly weird, subtle, dark, and disturbing literary fiction. Look for more titles in the ChiZine short stories collection to build your digital library.

When Welsh women turned up at the RAF base at Greenham Common in 1981, they were carrying a banner that read Women for Life on Earth. Theirs was No. It's true that there are a lot of environmental factors that will change our world for the worse and could eliminate Earth-bound humanity: * Human-made Women for Life on Earth: The Inevitability of Ecofeminism at Greenham Common in 1981, they were carrying a banner that read Women for Life on Earth. When Welsh women turned up at the RAF base at Greenham Common in 1981, they were carrying a banner that read Women for Life on Earth.
